Toronto Branch

*April 2017 Tour*

**University of Toronto Institute for Aerospace Studies**  
**Current Research at UTIAS**

The CASI Toronto Branch has been holding our regular monthly meetings at the University of Toronto Institute for Aerospace Studies (UTIAS) for many years (decades, in fact). But when our members and guests gather at UTIAS in the evening, most of the laboratory doors are closed.

For our April meeting, we will have a rare opportunity to see what goes on behind those closed doors. We will be taken on a tour of several of the laboratories, and be given presentations on some of the current research being conducted at UTIAS.

**Space on this Tour of UTIAS is limited, and registration is ONLY available by email.**

**Please contact:** [casitorontobranch@gmail.com](mailto:casitorontobranch@gmail.com)

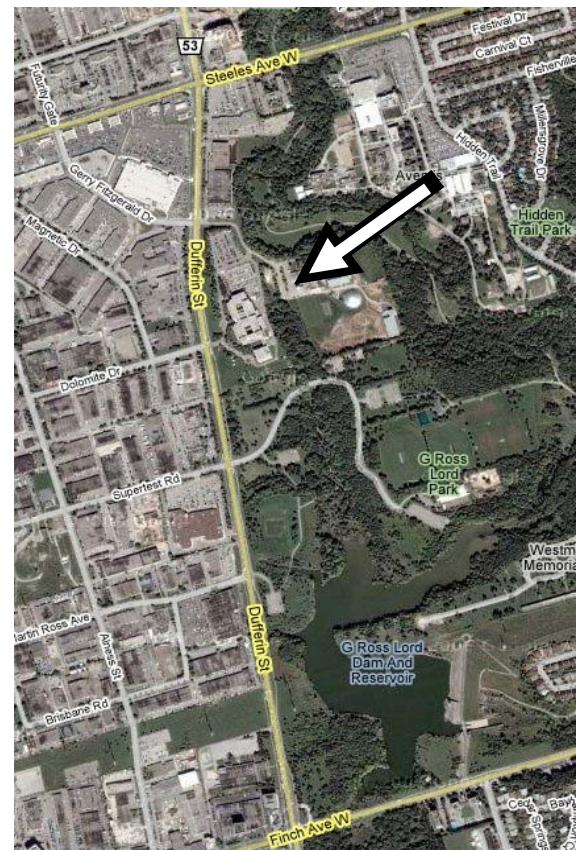

- In your email, please provide your first and last name, your affiliation (employer or school), and your CASI membership number.
