February 23 was designated National Aviation Day in Canada in 2009, to mark the Canadian Centennial of Flight.

The CASI Toronto Branch is celebrating National Aviation Day this year with our February meeting on **February 25**, which will be a more casual social event.

Start by sharing **Pizza and Conversation** with your friends and colleagues. Then sit back and enjoy a **Movie** on the big screen, showcasing Canada's accomplishments in aviation and space.

Everyone is welcome, so bring your friends and family. Admission is free for CASI members, \$5 charge for supper for non-members (kids are free).

Remember, meeting attendance is worth 100 CASI Knots!
