February 23 was designated National Aviation Day in Canada in 2009, to mark the Canadian Centennial of Flight.

This year, the CASI Toronto Branch is celebrating **National Aviation Day, February 23** with our February meeting, which will be a more casual social event.

Start by sharing **Pizza and Conversation** with your friends and colleagues. Then enjoy several **Movies** on the big screen, featuring some of Canada's aviation achievements.

Everyone is welcome, so bring your friends and family. Admission is free for CASI members, \$5 charge for supper for non-members (kids are free).

Remember, meeting attendance is worth 100 CASI Knots!
